## ACKNOWLEDGEMENT

Let me record here my gratitude to each and every one mentioned below for their help to make this dissertation success.

Above all, my greatest thanks are especially extended to Dr. L.S.R. Perera for his guidance and valid advice, on using standard methodologies in preparing this particular text.

I am very grateful to Archt. Madura Premathilake, senior lecturer, faculty of architecture, in term of having faith in the particular dissertation topic proposal, advice and criticism.

My sincere thanks to Archt. Raween Gunarathna and Archt. D. B. Nawarathne who gave me valuable advice and encouragement.

I also thanks to my parent, sister, my colleges and all others who gave me helping hand.
