ACKNOWLEDGEMENT

My sincere gratitude to each and every one for their keen interest and helpful ideas which gave me much encouragement to make this Dissertation a reality.

I am deeply grateful to **Architect Vidura Sri Nammuni**, Senior Lecturer, University of Moratuwa, for his guidance, comments and encouragement extended to me.

I am deeply thankful to **Architect Mihindu Keerthiratne** for the encouragement given to me in numerous ways, to make this effort a success.

My thanks to **Mrs. Ruvini Kodikara**, Asst. Librarian, University of Moratuwa, for helping me to valuable information sources.

I am thankful to **Palitha** for very kindly assisting in the Wordprocessing of this Dissertation, with his busy work schedule and all his other involvements.

University of Moratuwa, Sri Lanka

My thanks to **Mr. Alahakoon** for copying photographs, and to **Darshana** for helping me.

My most sincere thanks to **Ranjith, Dinith**, and all my family members for the support and encouragement given to me to make this Dissertation a reality.

And finally, to all others who helped me in numerous ways to make this effort a success.

Thanks.

Prasanthanie

Figure	Page
1. External spaces - defined by the buildings and others around it	6
2. External spaces - defined by the buildings and others around it	6
3. The facade of a building - only the container	7
4. Curtain wall glass - objects of more thought and labour than the space.	8
5. Curtain wall glass - objects of more thought and labour than the space.	8
6. Tying things together, and keeping them apart - Lunuganga	10
7. Distinction between inside and outside - Triton Hotel	11
8. Architecture - pleasant to live with - Lunuganga	12
9. Built form to the context	13
10. Every element must display some conviction - a bridge	14
11. Stairway - communicates to us the possible function of ascent	15
12. Existence of behavior and treatment of building materials	16
13. The use of a door as a movable barrier - - communicates its own function	19
14. Bandaranayake Memorial International Conference Hall - as a symbol	20
15. A Cave - Stone age man's shelter from rain and wind	20
16. Staircase - - The stairway communicates to us the possible function of ascent	21

17. Sri Lanka Land Reclamation and Development Corporation - - does not contribute to the function of a Govt. office building	24
18. Lanka Orix Leasing Company - - more successful in terms of its function	24
19. Lunuganga - Impression of homeliness within calmness	25
20. Triangles	26
21. G.L.Peries's house - Recognition of use	27
22. Chair - form can excite us, but lack of comfort may anger us	28
23. Maha Saman Devale, Ratnapura - Convey the meaning of spirituality	29
24. Maha Saman Devale, Ratnapura - Dark interior	30
25. Maha Saman Devale, Ratnapura - Enhances the quality of spirituality	30
26. Old Parliament Complex - Feeling of dominance	31
27. Doric Column - Feeling of order, masculinity and impersonality	32
28. National Museum, Colombo	41
29. National Museum, Colombo - Plan	42
30. Three dimensional form	43
31. Top mouldings as a fascia covering the roof	44
32. Circular fixed glass windows with half round top	44
33. Fixed glass window - sashes with half round top and mullion design	45
34. Window revealing as punched holes	45
35. Huge Nuga tree with its dark shade increases the mystic quality	47
36. Dark interior and glaring openings	48

37. Interior - the north west painting gallery	49
38. Dark colour timber door	49
39. Entrance - strong in expression	51
40. Openness of the path	52
41. Entrance portico - dominating quality	52
42. The 3D composition of the building form	53
43. The subtle details of the crown	53
44. Columns of Tuscan Order	54
45. The formal shape of form of the interior in Gallery No. 1	55
46. A view of the timber ceiling	55
47. Concrete ceiling with decorated down stand beams	55
48. The mysticness similar to the church interior	56
49. Colombo Town Hall	57
50. Nearly 40' - 0" high stair volume	58
51. Lighting qualities with artificial lighting	59
52. Illuminating globe lamps	59
53. Interior of the north west painting gallery with globe lamps	59
54. Interior of the central hall of the upper floor - - with lighting qualities of a mystic environment	59
55. The vastness of the central space	61
56. Structural system of column and arch	61
57. The entrance to the resort	62

58. Entrance gate	63
59. Approach view of the main building and its form	63
60. Clear recognition of the form is subdued by the many roofs	64
61. Rectangular buildings linked together	65
62. Calm, lonely and humble environmental quality	66
63. The sea beach - calm, yet alive, free	67
