## ACKNOWLEDGEMENT

I am extremely grateful to Dr. Ranjith Perera, lecturer department of architecture, university Moratuwa, who has been a constant source of inspiration to me in the task of writing this dissertation.

Next I must thank sincerely Arct. Vidura Sri Nammuni, Lecturer, University of Moratuwa.

Also, I wish to extend my heartfelt gratitude to the following, whose assistance, inspiration and guidance contributed to the successful completion of the work.

Arch. Cris. de saram and Arct. Gamini Weerasinghe.  
Lecturers, Department of Architecture, University of Moratuwa.

Mr. K.D. Fernando. Lecturer, Department of planning, University of Moratuwa.

and

Arct. Padmakumara Navarathna.

I also appreciate the help given me by with the editing.

Miss Duleeni De. Alwis and Dilani Kadawathage with the type setting.

Finally heartfelt gratitude to my mother for all the sacrifice done and loving encouragement.

<b>Figure</b>	<b>List of Illustrations</b>	<b>Page No</b>
1)	Art as a creation of forms associated with human feelings .....	03
2)	Architecture also uses its language to create forms associated with human feelings	
3)	Context as a design generator .....	14
