ACKNOWLEDGEMENTS

My sincere gratitude to each and every person for their involvement to make this dissertation a reality.

- Archt. Vidura Sri Nammuni, Senior Lecturer, Dept. of Architecture, for his advise to select the dissertation topic and guidance and advice given at the initial stages of the study.
- Dr. Samitha Manawadu, Senior Lecturer, Dept. of Architecture, for the advice and guidance given throughout the study from initial stages to the completion and for the valuable suggestions.
- My sincere thanks to Sarath Wijesooriya, National film Cooperation, who has helped me to find the sources relating to films.
- I wish to express my thanks to Chandraguptha Thenuwara, Director, Vibhavia Academy, for the valuable comments given and providing me with relevent referance materials.
- I owe my thanks to the people at 'Vibhavi' for the help given me by providing facilities to see films.
- Aruna Gunarathna and Chandana Silva for the help given.
- I am deeply indebted to my colleagues Upul, Udeni, Nandana and Sohani who wholeheartedly became the source of help, assistance and encouragement with this study origination.
- I owe my thanks to my uncle Sunil, for providing computer facilities and cousin Niroshana for the given help.
- Finally to my parents for this restless support, which was always forthcoming and tolerating all the inconveniences caused.
